

Parent/Guardian Letter and Permission Form
Secondary Students' Career Exploration Day
at *Mineral Exploration Roundup, Vancouver, February 1, 2022*

Dear Parent or Guardian,

MineralsEd and the **Association for Mineral Exploration (AME)** are working together to bring students to *Mineral Exploration Roundup 2022*, AME's annual conference in Vancouver (Jan. 31-Feb 3). *Roundup* is a premier gathering of exploration geologists, prospectors, and many other related mining, consulting and investment people who play a role in finding and developing mineral resources. This conference provides a forum for learning about new exploration techniques, to showcase new discoveries, and to find financial backing for new prospects.

This is the 19th year that MineralsEd and AME have involved students directly in the conference. Teachers are invited to nominate their students who have expressed interest in geoscience or engineering careers, or who would like to explore how their field of interest is relevant to the minerals industry, to attend this conference on **Tuesday, February 1, 2022**. Your son/daughter is one of a select group nominated by his/her teacher and invited to attend!

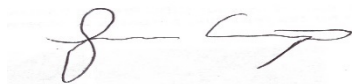

Secondary students will attend the conference on **Tuesday, February 1**, from 9:00am-3:00pm (times may change slightly) and will be accompanied for the day by a volunteer post-secondary student or industry guide who will share information on their backgrounds, mining-related programs, and work experiences. Student guests will also hear presentations by young people who work in a variety of fields in the industry. They will also explore the tradeshow exhibits to find out more about the breadth of careers in the minerals industry.

Attendance is **free**. Students will be responsible for their own transportation to and from the Vancouver Convention Centre West. Lunch is provided.

This will be a fun and exciting learning opportunity for the students, opening their eyes to the diversity of careers involved in this sector. Please acknowledge consent for your son or daughter's participation in this conference by signing the form on Page 2 and returning it to your child's teacher.

We are looking forward to this event and will appreciate very much your support in this joint venture!

Sincerely,

Jason Courneyea
Director

MineralsEd

PARENT/GUARDIAN CONSENT & MEDIA RELEASE FORM ROUNDUP 2022

Fill-in and return this form to your son/daughter's teacher by Friday, January 21.

MineralsEd and the Association for Mineral Exploration (AME) requests consent for your child's participation in the Mineral Exploration Roundup 2022 Conference and Trade Show ("Roundup") on February 1, 2022 at the **Vancouver Convention Centre West**.

PLEASE FILL IN THE FOLLOWING:

___ I/We grant permission for _____ (student's name) to attend Roundup on Tuesday, February 1, 2022.

In addition, MineralsEd and AME requests consent for your child's photo/image and/or name to be published in print and web media, local television and/or broadcast on the radio in relation to their attendance and participation at Roundup. No personally identifiable information such as the student's name, age or school, will be released without this prior written consent from a parent or guardian. (Proprietary information that will not be released includes the student's residential address, e-mail address, and phone numbers.)

PLEASE CHECK **ONE** OF THE FOLLOWING CHOICES:

___ I/We grant permission for _____ (student's name) photo/image and/or name to be published in print and web media, local television and/or broadcast on the radio in relation to their attendance and participation at **Roundup 2022**.

___ I/We **do not** grant permission for _____ (student's name) photo/image and/or name to be published in print and web media, local television and/or broadcast on the radio in relation to their attendance and participation at **Roundup 2022**.

Student's Name (please print) _____

Student's School and Grade (print) _____

Parent or Guardian's Name (print) _____

Signature _____

Relationship to Student (print) _____

Address _____

Phone Number _____

Dated _____

Note to teachers: Please scan and email this form to info@MineralsEd.ca.
