

Career Fair

14 May 2024

9:00 am- 2pm

Vancouver Convention Centre West

Join us at CIM Connect for the MineralsEd Career Fair, specifically tailored for students in grades 10-12! This event offers an incredible opportunity for students to engage with top mining companies and discover a diverse range of career options, spanning from sciences to trade. Don't miss out on this fantastic chance to gain insights and explore the dynamic world of the mining sector. Seize the opportunity to shape your future—be a part of CIM Connect!

MineralsEd in partnership with CIM Connect are pleased to offer passes and transportation to and from the conference, ensuring that both educators and students have seamless access to this enriching experience.

Ensure your students are well-prepared for success at CIM Connect! Encourage them to proactively craft their resumes, dress professionally, and bring their authentic selves to leave a lasting impression on potential employers. This invaluable preparation will maximize their opportunities and set them on the path to a successful future.

Take the first steps towards a fulfilling career!
